### **Model of US 41 Project completed construction on display**

(Green Bay) The Wisconsin Department of Transportation's (WisDOT) 3-D model showing the projected completed construction of the Winnebago County portion of the US 41 Project has been peaking interest among area residents and business owners alike. It will be available for public viewing in the main lobby on the first floor at the Oshkosh City Hall beginning Nov. 10 through Nov. 30. The Oshkosh City Hall hours are 8 a.m. – 4:30 p.m. Monday through Friday.

The model, which has been making its way around the county since June, features a portion of the project, including the new eight-lane Lake Butte des Morts Causeway, and the improved WIS 21 and US 45 interchanges.

Construction in Winnebago County will occur in phases through 2016 over 17 miles extending from Breezewood Lane south to WIS 26. For current updates on the US 41 Project now underway in Winnebago County log on to [www.us41wisconsin.gov](http://www.us41wisconsin.gov).
